

Andean settlements of northern Chile. Qhapaq Ñan and the cultural landscape [Asentamientos andinos en el norte de Chile. QhapaQ Ñan y el paisaje cultural]

Inostroza-Seguel L.

Rodríguez C.

Ramírez H.

Moreno-García R.

The article determines the patterns of design present in the Inca architecture in northern Chile, which, as a whole, contribute to characterize the ways of inhabiting the territory by the Incas, as well as the cultural landscape of the Altiplano area in the region of Arica and Parinacota. © 2019
